Terms and Conditions

- All possible care will be taken in handling the samples. We will not be responsible for any damage during transit or handling. If analysis cannot be carried out on any sample, the same will be returned to the customer.
- Potentially hazardous samples may not be accepted for analysis.
- Please mention if the samples are to be returned after analysis. The samples may be stored only for a week. Customers are requested to collect the samples in time.
- Any discrepancy in results has to be cleared in a week from date of dispatch of results.

I/We agree to the above terms and conditions.
